

Chief Guest

Prof. Leslie Gunatilaka
Director, Natural Products Centre
University of Arizona, USA

Keynote Speakers

Dr. Sarah Thomas

Senior International Development Manager
Royal Society of Chemistry, UK

Prof. Neelakanthi Gunawardena
Director, Semiochem Lanka (Private) Ltd.
Sri Lanka

Prof. Ashok Pandey

Distinguished Scientist, CSIR-Indian Institute
of Toxicology Research, India

Conference Domains

- I**nnovations in drug discovery and development
- M**odern challenges in environmental and green technology
- A**lternative energy sources for sustainable development
- G**enomics and metabolomics
- I**nnovative strategies in chemical education
- N**anotechnology for sustainable development
- E**ngineering technology in chemical industry
- E**lectrochemical and sensor technology
- C**hemical technology in food and agro industry
- C**osmeceutical, nutraceutical and herbal product industry

Plenary Speakers

Prof. Subramaniam Sotheeswaran

Emeritus Professor, The University of the South Pacific, Republic of Fiji

Prof. Dinesh Mohan

School of Environmental Sciences, Jawaharlal Nehru University, India

Prof. Todd Mlsna

Department of Chemistry, Mississippi State University, USA

Prof. Deb Mlsna

Department of Chemistry, Mississippi State University, USA

Dr. Rohan Perera

Organisation for the Prohibition of Chemical Weapons, The Netherlands

Prof. Kapila Seneviratne

Department of Chemistry, University of Kelaniya, Sri Lanka

Prof. Channa R De Silva

Department of Chemistry and Physics, Western Carolina University, USA

Prof. Namal Priyantha

Department of Chemistry, University of Peradeniya, Sri Lanka

Prof. Nalin De Silva

Department of Chemistry, University of Colombo, Sri Lanka

Prof. Nilwala Kottegoda

Department of Chemistry, University of Sri Jayewardenepura, Sri Lanka

Prof. P A Nimal Punyasiri

IBMBB, University of Colombo, Sri Lanka

Prof. Amelia P Rauter

Head of the CBQ Carbohydrate Chemistry Group, Portugal

Prof. Ayanthi Navaratne

Department of Chemistry, University of Peradeniya, Sri Lanka

Dr. Meththika Vithanage

Ecosphere Resilience Research Center, University of Sri Jayewardenepura, Sri Lanka

Institute of Chemistry Ceylon

"Shaping careers of chemists through
the advancement of chemical technology"

International Conference on

Frontiers in Chemical Technology

17 - 19 June, 2020

Galle Face Hotel
Colombo, Sri Lanka

Organizing Committee

Conference Chair

Prof. Priyani Paranagama

*President, Institute of Chemistry Ceylon, Sri Lanka
Director, Institute of Indigenous Medicine
University of Colombo, Sri Lanka
Chair of Chemistry, University of Kelaniya, Sri Lanka*

Conference Co-Chair

Prof. Samitha P Deraniyagala

*Department of Chemistry
University of Sri Jayewardenepura, Sri Lanka*

Editor in Chief

Prof. Subramaniam Sotheeswaran

*Emeritus Professor, The University of the South Pacific
Republic of Fiji*

Conference Secretary

Dr. Sameera R Gunatilake

College of Chemical Sciences, Institute of Chemistry Ceylon, Sri Lanka

Conference Treasurer

Dr. A A P Keerthi

College of Chemical Sciences, Institute of Chemistry Ceylon, Sri Lanka

Members

Dr. Ireshika De Silva

Dr. Dinusha Udukala

Dr. Chayanika Padumadasa

Dr. Medha Gunaratna

Ms. Samadhi Nawalage

Mr. Sahan Jayasingha

Welcome to Sri Lanka

Registration

15 February, 2020 – 31 May, 2020

The registration fee for the conference includes admission to FCT 2020, the inauguration ceremony, technical and poster sessions and meals. Expenses related to travel, accommodation and the conference dinner must be borne by the participant.

Local Participants

Students / Young Chemists (age below 40 years) : LKR 2800

Scientific participants : LKR 9000

Foreign Participants

Students/ Young Chemists (age below 40 years) : US\$ 15

Scientific participants from developing countries : US\$ 50

Scientific participants from other countries : US\$ 100

A 10% discount will be provided to all IUPAC members, the Institute of Chemistry Ceylon members, postgraduate and undergraduate students.

Financial support (full or partial) will be given to selected young scientists and women chemists to encourage the participation and the gender balance of the conference.

"IUPAC endorsement implies that entry visas will be granted to all bona fide chemists provided the application is made no less than six months in advance. If a visa is not granted two months before the meeting, the IUPAC Secretariat should be notified without delay by the applicant"
